2. BASIS OF PRESENTATION

(a) *Statement of Compliance*

These consolidated financial statements, including comparatives, have been prepared in accordance with Canadian Generally Accepted Accounting Principles.

(b) *Not-for-profit accounting method*

Nations Cry follows the deferral method of accounting for contributions.

(c) *Fund accounting*

- i. Revenue and expenses relating to program delivery and administrative activities are reported in the Operating Fund.
- ii. General Endowment and the Storehouse Endowment contributions are recorded in the respective fund. Investment income earned on the resources of these funds is reported in the respective fund to which the Investment income relates.

(d) *Revenue recognition*

- i. Restricted contributions are recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue of the appropriate fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.
- ii. Endowment contributions are recognized as direct increases in the Endowment Fund balance.

(e) *Investments*

Investments are recorded at the lower of amortized cost and market value.

(f) *Contributed Services*

Volunteers contribute about 100 hours per year to assist Nations Cry in carrying out its service delivery activities. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

(g) *Land, Building and Equipment*

5. ENDOWMENT FUNDS

(a) *General Endowment*

The General Endowment fund is funded by directors, volunteers and other individuals close to the Charity. The vast majority of investment income from the General Endowment fund is spent on the end cause, while a portion is used to cover any administrative expenses that may be incurred. The balance included in externally restricted funds for the General Endowment differs from the life-to-date endowment fund contributions due to the life-to-date net investment income net of transfers from the fund as 10 year donations, which have been held in excess of 10 years have been transferred to the operating fund.

(b) *Storehouse*

The Storehouse is Nations Cry's primary endowment fund for receiving donations from the general public and it a vital part of the Charity's structure. When a donation is made to the Storehouse the funds are invested and the investment proceeds are used exclusively for humanitarian / mission projects. No investment income ever earned from the Storehouse will ever be spend on administrative overhead, allowing donors to be confident that 100% of their donations, and the investment income earned once those donations are invested, will go to the end cause. To date, no transfers have been made from the Storehouse Endowment Fund to the Operating Fund.

6. RELATED PARTY TRANSACTIONS

During the year ended June 30, 2019, directors and officers of Nations Cry (including family members), made donations and endowment fund contributions totalling 45% of total donations for the year (2018 – 37%).
